(talking)  
prostitute  
i hate you  
put down the oreo crackers  
and quit doing the sex  
this is for you

(now singing)  
hey girl  
if it wernt for you  
every day after school I'd have nothing to do  
I went to your house like evryday  
your a stupid bitch cuz you gave me some play  
but I didn't like it  
it wasnt very good  
now you are a prostitute of neighborhood  
and chocolate cake and chocolate pie  
that is how you get very big theigh

and I do not like your very big theigh  
besides you have been with too many guys  
and I do not like your cottage cheese theighs  
besides you have been with too many guys  
stop it stop it stop it

you do sex  
you need to stop  
every guy is not lolly pop  
if you turned to dinosaur when you did the sex  
every day you would be the Tyronasourus Rex  
if when you did the sex i got a nikel  
I would have enough to buy a new tricycle  
Then I could buy a pair of brand new tennis shoes  
but look out bitch you might get HIQ

now you are prostitute who tells lies  
got no friends so you sit there and cry

chubby chin chubby cheek chubby thiegh  
you have been with too many guys  
I do not like your cottage cheese thieghs

besides you have been with too many guys  
and I do not like your poo poo thighs  
besides bitch you have been with too many guys  
stop it stop it stop it

you eat chocolate cake and chicken  
you spend too much time in the kitchen  
you touch my hot stick then I go to dinner  
then you try to move in with the Mrs. Withers  
you just gave me turkey breast and turkey leg  
bitch you should enroll with Julie Craig  
you know who you are and it's not a surprise  
besides bitch you have been with too many guys

and I do not like your cottage cheese thighs  
besides you have been with too many guys  
and I do not like your poo poo thighs  
besides you have been with too many guys  
stop it stop it stop it

stop it, stop it, stop it, bitch, stop it  
stop it, stop it, stop it, bitch, stop it  
stop it, stop it, stop it, bitch, stop it  
stop it, stop it, stop it, bitch, stop it

not 10 guys  
not 18 guys  
not 2 and a half guys  
not 100 guys  
not 800 guys  
not choot choot guys  
not 30 guys  
too many guys!!!
