Oh, you are wanting to get fowdged up?  
You are wanting us to make all the animals to attack?  
You are wanting to stare into the face...  
Of a criminal ninja?  
We are the future presidents of your United States  
We change the name of your sister  
And do not tell you what it is!  
Listen!

You put your face in my face  
I kick a rock in it  
That's why we're hanging off  
With group White Chocolate  
You smart off  
And say the fruit is not fresh  
I don't give a shaith  
You still don't pay less  
Get attitude, guess what's next  
It's a White Chocolate and...

Group X!  
White Chocolate 'cause we're strait,  
No rehearse  
Laying down the dope beats  
Sweatin' my shirt, it hurts  
Group X is next  
Killin' all the rest  
So don't try to test white chocolate  
And Group X

Well if we had a job,  
We would be the boss  
And we'd dip opponients  
In the hawt-sauce  
Oh...  
You want to mess with Group X  
Then we rip you to piece  
Like a new paycheck  
Little kaid's don't cry  
To get depressed  
Group X is better than a 40-foot breast  
If you think you're better than us then match thais

Piss on it beish with White Chocolate  
And Group X

Yeah!  
So now we're gonna let it go  
Kick the fuckin' flo  
On your truck, you just need to suck your rock  
Comin on the mic  
But I just might  
Put on my miracle bite  
That it's tight

You can't step to the best  
Don't try to test the dope sound

White Chocolate Group X, yeah  
'cause we're the  
Motherfuckin masters of the mic  
And yeah we're gonna let it sound tight  
Like these beats right here:

Every day you are coming into the store  
Can I use the batchroom?  
Yes alright, use the batchroom  
But you did not know thais:  
We lock you in the batchroom  
And put something in the uh,  
Air conditioning vent  
It is coming at you fast  
What is it?  
AHHHH!  
IT'S A SNAKE!!!

Run from the snake!  
Run from the snake!  
Run from the snake!  
Run from the snake!

Want to get shot by an eight foot tax  
Then get charged with a multiple tax  
We do thais  
And we do it to your face  
And we hit your country with atomic blast!

White Chocolate,  
Group X, Group X, come on  
White Chocolate,  
Group X, Group X, yeah  
White Chocolate  
Group X, Group X, uhh  
White Chocolate,

Group X, Group X, come on  
White Chocolate,  
Group X, Group X, yeah  
White Chocolate  
Group X, Group X, uhh  
White Chocolate,  
Group X, Group X, come on

I dream I never stop to check the scene  
I wear my hats of my dream  
I'm coming hard, come with me  
White Chocolate and Group X  
Will beat the phat music that's never clean  
So come and try to step to me  
The fucking artist that you see

Come on!
