I see the crystal raindrops fall and the beauty of it all
Is when the sun comes shining through
To make those rainbows in my mind
When I think of you some time and I want to spend
some time with you

Just the two of us, we can make it if we try
Just the two of us
(Just the two of us)
Just the two of us building castles in the sky
Just the two of us, you and I

We look for love, no time for tears
Wasted water's all that is and it don't make no flowers
grow
Good things might come to those who wait
Not to those who wait too late, we got to go for all we
know

Just the two of us, we can make it if we try
Just the two of us
(Just the two of us)
Just the two of us building them castles in the sky
Just the two of us, you and I

Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us

Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us

I hear the crystal raindrops fall on the window down the
hall
And it becomes the morning dew
And darling, when the morning comes
And I see the morning sun I want to be the one with you

Just the two of us, we can make it if we try

Just the two of us
(Just the two of us)
Just the two of us building big castles way on high
Just the two of us, you and I

Just the two of us, we can make it, just the two of us
(Yeah, just the two of us, let's get together, baby)
Just the two of us, we can make it, just the two of us
(Just the two of us)
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us

Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
Just the two of us, we can make it, just the two of us
