Give me the sun
I'll give you the moonlight
Love will set us free
If we just believe the best is yet to come

Show me your smile
I'll fill it with laughter
That will light your mind
As long as we believe
The best is yet to come

Can you see what I see
On the road ahead
Do you know
There's a new life there
Waiting there

Give me your world
And I'll give you heaven
Love will set us free
As long as we believe
The best is yet to come

Show me your smile
I'll fill it with laughter
That will light your mind
As long as we believe
The best is yet to come

Give me the sun
And I'll give you moonlight
Yes I will

Can you see what I see
On the road ahead
Do you know
There's a new life there
Waiting there

Give me the world
And I'll give you heaven
Love will set us free

As long as we believe
The best is yet to come

Baby don't you know that
As long as we believe
The best is yet to come
Oh
Play it now

I will give you love and understanding
If you show me your love
Hey, hey
Give me the sun
Show me your smile
Give me your world
Baby ah- ah
I'll be what you want me to be
(Yeah?)
I'll give you moon light
I'll fill you with laughter
I'll give you a
Hey, hey, hey, hey
The best is yet
To come
