Bad bitches, bad bitches only (x 3)

Bad bitches, bad bitches only (x 4)

Oh, bad bitch, red bone,
Her act right and her hair long,
Cute face, fat ass,
Corn bust it over then throw it back,
Too bad, miss fit IÂ'll beat it up, punishment,
Eat it up no shit, them bad girls look good in them
leggins,
DO you know why? turn up then
She can get it right along with her best friend
Bad bitches only magnet, and you donÂ't do ratchet.

Bad bitches only, bad bitches only

Bad bitches, bad bitches only (x 8)

Bad bitch you know I gotta
She like the flow, she love to ride her
Bugatti boy, money right
She back it up, my money right
More benz, more benz, VIP back up no benz,
Care bombs, care bombs,
... want nothing but jar bombs,
Ballin, rock us,
Overseas, international new hustler,
My white bitch, my Spanish bitch,
My black bitch, all my bitches.

Bad bitches only, bad bitches only
Bad bad bitches only, bad bitches only.

Bad bitches, bad bitches only (x 8)

I told to drop that us up, and drop it to the floor
Gonna drop it to the floor,
And pick that thing up,
And go for what you know, girl go for what you know.

That bitch and she on the molly,
That's why I'm on my level in the Maserati,
If the low heavy we're gonna move it on the daly,
First 40 ain't p**sy I'll catch a body,
Bring you here, I'll be in the ear,
Take a whole ain't the whole, lay the... I'll be in the

Yeah front to back, made it..
And that ass super fat she from Argentina
Swimming real, pretty with it, like a ballerina
Since I'm hood I might have to change my demina
Blowing ratch hold the back girls love
I'm the owner of the bad girls club.

Bad bitches only, bad bitches only
