She sippin' Nuvo while I'm puffing got them on the wall

Hop in with the top back now I'm in the lane, bowling  
ball

Ha, I might be going about one hundred miles

Sippin' on that Henny in the 'ghini I be going hard

She like don't leave me papa

I'm not a G but I'm here you ever need me need me

[Chorus]

[Verse 2: Brisco]

Shawty done forgot her draws

Check the bathroom and bye bye I'm a beat her in the  
stall

Everybody on the wall

And we on that alcohol

Sh-t can happen, clap clappin' round of applause

Ha, I might be going about one hundred miles

Sippin' on that Henny in the 'ghini I be going hard

She like don't leave me papa

I'm not a G but I'm here you ever need me need me

[Chorus]

[Verse 3: Brisco]

I'm under her arrest my hands completely cuffed

She always in control,

I know she like it rough

Never let her fuss [? ]

Never try to call her phone  
Just hit her with a text to let her know it's on  
Throw her all up on the wall  
Now I'm up on her fanny  
She probably South Beach  
Fountain blue Miami  
I know she want get it  
And I'm so quick to get it  
I always pull her hair  
And ask her how it feel
