CORO

sometimes it feels that if we weren't aventura,
trabajo en la fritura,
you wouldnt speack of us.
and all these girls all love us
do they really really love us?
couse in school it wasnt like this
y hoy todo cambio

no me conoces solo escuchas mi voz
you dont know me,
you havent spoke to none of us.
como t atreves a llamarme comparon
yo soy humilde tengo buen corazon
para llegar a la fama tienes k ser un campeon
we've boood out of stage
and look at us

you cant stop you cant fade us
ilove my fans but f*ck the haters
this industry is full of hate and love.
hoy me siento ser el mas popular
pero no me olvido mi barrio
holla back mi gente hermosa
que tanto quiero
dominicano puertorriqueno
gracias a dios, gracias a mami,
gracias papa

CORO

because of you we're number one
que me ames o me odies
because of you we're number one
and we'll be together always
los envidiosos listen up.
we inventes this style
