The truth shattered your obsession
The deceit you posed apparent
Time to lift the veil
And show your gruesome face
Your instability and lies
Yeah, you're really fucked up
You got it right when you say
That you're not welcome here

I know who you are
I know who you are
I know who you are
I know who you are
Crapassreality

The truth shattered your obsession
The deceit you posed apparent
Time to lift the veil
And show your gruesome face
Your instability and lies
Yeah, you're really fucked up
You got it right when you say
That you're not welcome here

I know who you are
I know who you are
I know who you are
I know who you are
Crapassreality

What I did to you guys was wrong
And no this ain't no joke
I'm really, really sorry for being so mean
And verbally attacking you
I've learned my lesson a thousand times
I know what I did was low sickly and wrong
I'm back on my medication
I'm back in AA
I talk to my sponsor everyday
Please find mercy for me
And delete that terrible thread

The truth shattered your obsession
The deceit you posed apparent
Time to lift the veil
And show your gruesome face
Your instability and lies
Yeah, you're really fucked up
You got it right when you say
That you're not welcome here

I know who you are
I know who you are
I know who you are
I know who you are
