Stay dead  
Stay dead  
Stay dead  
Stay dead  
Stay dead  
Stay dead  
You're dead

Stay dead  
Stay dead  
Stay dead  
I still hear your voice  
Stay dead  
Stay dead  
Stay dead  
Whispering in my ear  
Stay dead  
Stay dead  
Stay dead  
I know it can't be you  
Stay dead  
Stay dead  
Stay dead  
You've been dead 15 years

I look at her now and then  
And the light reflects off the ice  
That clings to her auburn hair

Stay dead  
Stay dead  
Stay dead  
I killed you myself  
Stay dead  
Stay dead  
Stay dead  
Your body in the freezer

I look at her now and then  
And the light reflects off the ice  
That clings to her auburn hair  
Blood frozen tears

On her pasty white cheeks
