You make friends with ugly people
So you stand out in a crowd
You keep it PC and street legal
Turn it up but not too loud yeah

Notice her sleep walk dances?
Gets her moves from the MTV
Clubs filled with pimps and gangstas
DJ spinning that RNB yeah

Report to the dancefloor
Go go go go
The kids all tune in to
the black and white radio

Go go go go!
Go go go go!
Get up and dance to the black radio, oh

You make friends with ugly people
So you stand out in a crowd
You keep it PC and street legal
Turn it up but not too loud yeah

Report to the dancefloor
Go go go go
The kids all tune in to
the black and white radio

Go go go go!
Go go go go!
Get up and dance to the black radio
Go go go go!
Go go go go!
Get up and dance to the black radio

And did you notice her sleep walk dances?
It's just a question without an answer
The kids all log on
The kids all download
The kids all tune in to the black and white radio

Yeah

Go go go go,
Go go go go!
Go go go go!
Get up and dance to the black radio
Go go go go!
Go go go go!
Go go go go!
Go go go go!
Go go!
