All this time that's on my hands
I don't know what to do with it no
A satellite that's out of sight
I'm watching numbers count back to zero
I had my girlfriend on the phone
Telling me she needs to speak to me,
she needs to speak to me
A clever clone out on his own
Over it? Or is it over me? No

Another day is suddenly over
Another day is suddenly over
And I can't say I'm pleased to meet you
Can't say I'm pleased to meet you
Can't say I'm pleased to meet you
Can't say I'm pleased to meet you

And when your dad had his heart attack,
we watched it all on videotape
His shirt was ironed, his teeth were white
He clutched his chest like a commercial break
I had my girlfriend on the phone
Telling me she needs to speak to me,
she needs to speak to me
A clever clone out on his own
Over it? Or is it over me? No

Another day is suddenly over
Another day is suddenly over
And I can't say I'm pleased to meet you
Can't say I'm pleased to meet you
Can't say I'm pleased to meet you
Can't say I'm pleased to meet you

Another day is suddenly over
Another day is suddenly over

And I can't say I'm pleased to meet you
I can't say I'm pleased to meet you, no
I can't say I'm pleased to meet you
I can't say I'm pleased to meet you

To meet you!
To meet you!
Yeah, to meet you!
