When wooden horses were in use  
I would have built one  
And left it for you

But I wanted to know  
I just wanted to know  
How much are you?  
How much are you?  
How much are you?  
How much are you?

I wanted to know  
I wanted to know  
Oh, bring it in and let us see it  
Oh, let us see it  
Oh, bring it in and let us see it  
Oh, let us see it

Oh, bring it in  
And let us see it

Token heir means nowt in the hills

I know when I'm ready  
Yeah, I'm ready to kill

I just wanted to know  
I just wanted to know  
Oh, bring it in and let us see it  
Oh, let us see it  
Oh, bring it in and let us see it  
Oh, let us see it

Oh, bring it in  
Yeah, bring it in  
Oh, bring it in and let us see it  
Yeah, let us see it

So bring it in and let us see it  
Let us see it

Oh, bring it in
