Carry on inside of your heart
Under the brine you won't notice the dark
Can stone and steel and horses heels ever explain the
way you feel
From Scapa flow to Rotherhithe, I felt the lapping of an
ebbing tide
Oh the heavy water how it enfolds
The salt the spray the gorgeous undertow
Always, always, always the sea
Brilliantine mortality
Irrigate your heart until you know your complete
And your draped in kelp, below by 8,000 feet
My soul she cried I thought you'd died amid fumes of
formaldehyde
You have been gone for so long I felt the lapping of an
ebbing tide
Oh the heavy water how it enfolds
The salt the spray the gorgeous undertow
Always, always, always the sea
Brilliantine mortality
