Who's a little Caesar  
Taking all the world  
Who's a little Caesar  
Breaking all the records

Who's a little Caesar  
Who's a little Caesar  
Who's a little Caesar  
Taking all the world

The universe is a record of everything you say and do

Who's a little Caesar  
Who's a little Caesar  
The universe is a record of everything you say and do

The north island isle is a mighty good isle  
The north island isle is a mighty good isle  
The north island isle is a mighty good isle  
The north island isle
