Iâ€™m at your feet  
Iâ€™m at your command  
Hail holy queen of the sea

Youâ€™re whirling in rags  
Youâ€™re vast and youâ€™re sad  
Hail holy queen of the sea

Iâ€™m at your feet  
Iâ€™m at your command  
Hail holy queen of the sea

The terrified stillness  
You know what I mean  
Hail holy queen of the sea

The sweet annihilation  
Of all you need  
Hail holy queen of the sea

Iâ€™m at your feet  
Iâ€™m at your command  
Hail holy queen of the sea
