Did you see the heavy water fall  
Out of over laden skies?  
Did you see the heavy water fall  
From the heavens and your eyes?

Did you see the heavy water fall?  
Don't you think it's kind of strange?  
Did you see the heavy water fall?  
Do you think that it means change?

Sometimes I, I think that we're under inside  
I think that it's some fear inside  
I think that we're under inside  
I think that it's serious, I

I'd love to see you try, yeah  
Everything wants forever  
Until it is no more

Did you see the heavy water fall  
Out of over laden sky?

Oh, I, I'd love to see you here  
When you're not moving your lips  
So let's have [Incomprehensible] for all  
[Incomprehensible]

Sometimes I, I think that we're under inside  
I think that it's some fear inside  
I think that we're under inside  
I think that it's serious, I

Inside  
I think that it's some fear inside  
Inside  
I think that it's serious, I

I'd love to see you, I'd love to see you  
I'd love to see you again  
I'd love to see you, I'd love to see you  
I'd love to see you again

Did you see the heavy water fall  
From the heavens and your eyes?

Inside
