Well, oh, my god, did she look cute  
At the Dame Vera clay pigeon shoot  
But it was over, oh, so fast  
It was a blast

So here's to all the dirty girls  
They're taking on all of the world  
Accessorized up to the hilt  
No one got killed

Northern girls  
Are you going to the party?  
Southern boys  
Are you going to the party?

Everyone, the wessies and the ossies  
Everyone is going to the party  
And we know that you will understand, no, oh

Living is so easy  
(Living is so easy)  
Shopping is so easy  
(Shopping is so easy)

Dying is so easy  
(Dying is so easy)  
All of it is easy  
(All of it is easy)

I love your celebrity  
Your VPL in the SUV  
And then you're pissing vitamins  
It is a sin

LVMH in the HLM  
Luxury it will descend  
I won't be looking at your eyes  
In the end

Rive Gauche girls  
Are you going to the party?  
Banlieue boys

Are you going to the party?

Everyone, the cops and the commies  
Everyone is going to the party  
And we know that you will understand, no, oh

Living is so easy  
(Living is so easy)  
Shopping is so easy  
(Shopping is so easy)

Dying is so easy  
(Dying is so easy)  
All of it is easy  
(All of it is easy)

Northern girls  
Are you going to the party?  
Southern boys  
Are you going to the party?

Everyone is going to the party  
Everyone is going to the party  
And we know that you will understand, no, oh

Living is so easy  
Living is so easy  
Living is so easy  
Kissing is so easy  
Dancing is so easy  
Shopping is so easy  
It's never been so
