Se som, se som,
Solen skinner
Se som, se som
Luk dig op

If I was aware of all
The things I do
Which hurted you
I promise I would make me go
But let you know I love you so.

If the days were quiet as the night
I'd sleep the light away
If I was a bird to fly
I'd give my wings.

Saelsomt som vi to
Kun kann vaere
Langt
Fra livets atmosfaere

I'm as busy as a spieder spinning day dreams
I'm as lonely as a baby in a swing.
