Alexander Hacke

(the bassist of German industrial band Einstürzende  
Neubauten)

Walked into town on silver spurs that jingle too  
A song that I had only sung for just a few  
She saw my silver spurs and said lets pass some time  
And I will give to you summer wine  
Oh, summer wine

(Gry)

Strawberry, cherries, and an angle kissin spring  
My summer wine is really made from all these things  
Take off your silver spurs and help me pass the time  
And I shall give to you summer wine  
Oh, summer win

Alexander Hacke

My eyes grew heavy and my lips they would not speak  
I tried to get up but I could find my feet  
She reassured me with an unfamiliar line  
And when she gave to me more summer wine  
Oh, summer wine

(Gry)

Strawberry, cherries, and an angle kissin spring  
My summer wine is really made from all these things  
Take off your silver spurs and help me pass the time  
And I shall give to you summer wine  
Oh, summer wine

Alexander Hacke

When I woke up the sun was shinning in my eyes  
My silver spurs were gone, my head felt twice it size  
She took my silver spurs-the dollar and the dime  
And left me cravein for summer wine  
Oh, summer wine

(Gry)

Strawberry, cherries, and an angle kissin spring  
My summer wine is really made from all these things  
Take off your silver spurs and help me pass the time

And I shall give to you summer wine  
Oh, summer wine
