Everyday I look into the mirror.
I see my soul staring back at my heart.
I can't believe all the things you've done for me.
You give new beginnings to all who seek You.
Never would have in a million years I could have so
much for doing so little.
But we all know that you paid the price for life by your
death and resurrection.
(((Chorus 2x))):
What. Get out of my face.
Get back in your place.
Don't need your fake lesson.

Yeah stuck in my ways.
Running out of time.
Face cracked with age.
Stuck in my ways.
Stuck in my ways.
(((Chorus)))
I should have known better.
I knew this day would come (3x)
I should have known better.
I didn't listen...
Stuck in my ways.
Running out of time.
Face cracked with age.
Stuck in my ways.
Stuck in my ways...
(((Chorus)))
