Somebody told me all I have to do  
Is call upon His name  
Is it really just that easy

Don't want to be left behind  
Left behind left behind

I'm so tired of doing  
Everything by myself  
I need some help along the way

Don't want to be left behind  
Left behind left behind

So they say you are the Son of God  
How do I prove it  
I guess I'll have to take that chance

I hope I'm right cause

What some of my people might say may be bold  
I feel like it's something that has to be told  
Yes I can feel your pain  
You know there was a time that I felt the same  
You won't know when it's your time to go  
But you don't want to be told  
That you're not going to go  
So to enter that gate  
Accept the man now before it's too late cause
