Where were you when my parents divorced?
Where were you when my sister was born a vegetable?
Where were you when I had nothing left?
You say you care.
Where were you?
Where? (4x)
Where were you when I was breaking the law?
Where were you when I lost my virginity?
Where were you when my sister died?

You say you care.
You liar.
Where (4x)
How was I to know that you were there for me? (4x)
You broke my heart in Mexicali Mexico.
Those little kids had nothing but they were hungry for
Your Word.
You have saved this wretched worthless sinner.
You were there You were there.
Where (4x)
