

Gs Megaphone "Sincerely Yours"

Visit "[Sincerely Yours](#)" on MotoLyrics.com

In between all yesterdays and tomorrows
Grows this flower of love
I am drunk upon the nectar of this flower called today
I hold You responsible for the times i laughed so hard
My side hurt
I love Your art
I'll be sure to hopelessly adore the Artist

(chorus)

If i'm breathing, i know you're somewhere close

I wanna be sincere
You mean so much to me
And i want to mean every word i say
I want to be sincere
I want to be real
I'm sincerely Yours

Let the words me body speaks
Be the words that You have on the tip of Your tongue
Give me something
Take me somewhere
Make me someone who believes
