Verse 1: The stars are yours and mine...look into my heart n tell me what you c...your my Valentine...and I can tell u only have eyes for me..chills down my spine...Every time you take another glance at me...It's so divine..gets me to unwind I'm holdin on for always..

Chorus: I'm satisfied, with the way you luv me...cuz you know you're qualified...you can handle this..every time we kiss...I get mesmerized every time you touch me...I get butterflies..every time we kiss you can handle this

Verse 2: All my mind consist of you..your secrets safe with me tell me what you do..I know you don't lie..b/c every time..I look into your eyes they tell me its the truth...Chills down my spine..Forever by your side, boy I swear I'll stay..b/c I'm satisfied the way you luv me blows my mind, I'm hypnotized holdin on...for now n always

Chorus: I'm satisfied, with the way you luv me...cuz you know you're qualified...you can handle this..every time we kiss...I get mesmerized every time you touch me...I get butterflies..every time we kiss you can handle this
BRIDGE: My whole life has changed since you came through..promise me you'll stay n I'll promise you...I'll give up everything my whole life is you...Boy you're oh so satisfying

Chorus: I'm satisfied, with the way you luv me...cuz you know you're qualified...you can handle this..every time we kiss...I get mesmerized every time you touch me...I get butterflies..every time we kiss you can handle this(2X)
