Oeh  
Lords of the boards  
Lords of the boards  
Oeh  
Oeh

I've got the snowboard under my feet  
I can fly so high, I can fall so deep  
But who do I see comin' up the track  
A little green man with the snowboard on his back

He said: You must go up to the mountain  
We gonna see who makes the fastest run  
Oh I must go up to the mountain  
I'm gonna show you how it can be done

Drop in the air  
Your life is so blind

With the lord of the boards you'll come and get around  
(6x)

Oeh  
I'm gonna do it, till I get snow-blind  
Oeh  
I leave all the rest behind

I can stay behind him if I can  
I wanna be a little more than an "also-ran"  
Through every curve He's got me beat  
And maybe it's time that I accept defeat

Drop in the air  
Your life is so blind

360 alien drop  
We gonna stay here all for the night  
360 alien drop  
We never thought the faulting' try  
360 alien drop  
I'm gonna do it, till I get snow-blind

360 alien drop  
I leave all the rest behind

Oeh

The little female makes them whole rule  
With a spaceballmaker make that lovely fools  
They show no respect they show no fear  
And if they jam, they suddenly disappear

360 alien drop  
We gonna stay here all for the night  
360 alien drop  
We never thought the faulting' try  
360 alien drop  
I'm gonna do it, till I get snow-blind  
360 alien drop  
I leave all the rest behind

Oeh
