It's a tied rope
Life flips
Someone else
Have found the mood
Break to another world
I got to tell them
I was the one before
And it's not my fault
I'm what you adore
Take my flesh I am real
What you gonna do
If I let you feel
Cuts
I'm not a maniac
Cuts
I'm not a maniac
The time is up
Fighting against the miserables
When I step into your room
I know what's on your mind
So shut your mouth
I was the one before
I got your time
I'm what you ignore
It is true I'm healed
So what you gonna do with
If I let you feel
Cuts
I'm not a maniac
Cuts
I'm not a maniac
Say it I know you can't
Follow cause I'm to fast
Say it I know you can't
Lay with me
Say it I know you can
Follow cause I'm to fast
Say it, say it again
Cuts
I'm not a maniac
Cuts
I'm not a maniac

Cuts
I'm not a maniac
Say it, say it again
