Do you really feel the same
When your cigarette? s lying between your lips
Why do you always need some stars
They just go out to find themselves

Why do we never, ever had
My life is stepping far ahead
Why do we never, ever had
Your life is stepping far ahead, but

Let me be so cool
Yeah, that might be cool
I might be a fool in your eyes
Let me be so cool
Yeah, that might be cool
I might be a fool in your arms

Get it all

Dodel up,dodel up, huh?
Dodel up, dodel up, huh?
Dodel up, dodel up
I like a better prod

Do you really mean all this
See your shiny eyes down in the crowd
Am I really made for this
I think it feels good to be around

Why do we never, ever had

Life is stepping far ahead
Why do we never, ever had
Your life is stepping far ahead, but

Let me be so cool
Yeah, that might be cool
I might be a fool in your eyes
Let me be so cool
Yeah, that might be cool
I might be a fool in your eyes,
In your eyes, in your eyes, in your eyes

What you shout out!!

Dodel up, dodel up, huh?
Dodel up, dodel up, huh?
Dodel up, dodel up, I like a better prod

Am I made for your guy
Never ending, never ending
Am I made for your guy
Never ending, never ending

Dodel up, dodel up,
Dodel up, dodel up, huh?
Dodel up, dodel up,
Never ending
