

Guano Apes "Fanman"

We are lying in a terrible waste of a night
As you're sliding with your mouth all over me

I breathe in, slowly like your moves
Heartache, losing my mind
You came to me, I'm trying to escape
With my hands in your hair

We are driving to a wonderful waste of a night
You got me here, I don't know what to say
I look at you
Climb up on me with your arms and your heat

Stop it, you move me too fast
Yes, we are moving too fast
I am running away
'Cause the fanman haunts me tonight

Stop it, you move me too fast
Yes, we are moving too fast
I am running away
'Cause the fanman haunts me tonight

Stop it, you move me too fast
Yes, we are moving too fast
I am running away
'Cause the fanman haunts me tonight

We are carrying some bad memories with us
Don't you bore me, this is not the time
So please shut up
I don't wanna know about you or your past

Stop me, you move me too fast
Yes, we are moving too fast
I am running away
'Cause the fanman haunts me tonight

Stop me, you move me too fast
Yes, we are moving too fast
I am running away
'Cause the fanman haunts me tonight

Stop me, stop me, stop me
Stop me, stop me, do it away
I am running away
'Cause the fanman haunts me tonight

Are you the fanman?
Are you the fanman?
Are you the fanman?
Are you the fanman?
Tonight

I want you, I want you, I want you more
I want you, I want you, I want you more
