I'm a little creature  
Just a tiny fool  
The whipper snapper  
To be your funny tool  
The time will come  
I'll call a friend  
We will finish your game to the end

Okay, I'm fine  
(You are not)  
Oh yea, I'm blind  
(You are not)  
Okay, I'm fine  
(You are not)  
Oh yea, I'm blind  
(You are not)  
Okay, I'm fine  
(You are not)  
Oh yea, I'm blind  
(You are not)  
Oh yea I'm fine  
I'm fine, I'm fine  
Shut your mouth

Take a step back, shut your mouth  
Feel my deep breath  
Blast your little faces all around the world  
Man I'm so glad, that I got no control  
It's in me and even it's in you  
Come to me Gogan

Five, six or seven and eight is out  
Today of all days  
I'm the chosen one  
They close behind me  
They're on my back  
Come try to catch me  
Get it in the neck

Okay, I'm fine  
(You are not)  
Oh yea, I'm blind

(You are not)  
Okay, I'm fine  
(You are not)  
Oh yea, I'm blind  
(You are not)  
Okay, I'm fine  
(You are not)  
Oh yea, I'm blind  
(You are not)  
Oh yea I'm fine  
I'm fine, I'm fine  
Shut your mouth

Take a step back, shut your mouth  
An' feel my deep breath  
(Ohh)  
Blast your little faces, all around the world  
Man I'm so glad, that I got no control  
It's in me and even it's in you  
Come to me Gogan

Gogan is in me, Gogan is in me  
Come and try to catch me, come on  
Are you there?

(Aaa)  
Gogan is in me, Gogan is in me  
Come and try to catch me, come on  
Are you there?

All the races that's for sure  
Fought to the finish  
In the middle of your war  
Look at you, Gogan's in you
