I got the snowboard under my feet.  
I can fly so high I can fall so deep.  
But who do I see comin' up the track?  
A little green man with his snowboard on his back.

Singing: And now I'm flying like an angel to the sun.  
My feet are burning and I grab into another world.

With the lords of the boards  
you'll come and get around (5x)

With the lords of the boards, go mad like a clown

I can stay behind him if I can.  
I wanna be a little more than an "also-ran".  
Through every curve he's got me beat.  
And maybe's time that I accept defeat.  
And now I'm flying like an angel to the sun.  
My feet are burning and I grab into another world.

With the lords of the boards  
you'll come and get around (2x)

With the lords of the boards, go mad like a clown.

With the lords of the boards  
you'll come and get around (2x)

With the lords of the boards, go mad like a clown.  
With the lords of the boards  
you'll come and get around (2x)

With the lords of the boards, go mad like a clown.

With the lords of the boards  
you'll come and get around (2x)

With the lords of the boards, go mad like a clown.
