See the signs you've left behind
I won't run into the trap
Something's wrong, you're under control
Your life has so much pain

And if water burns
White bearded man sucks out your soul
Are you afraid when I am strong?
Far's my mind, just my body that's here

You better run my darling
It's fear
It's now or never, nothing is real
Keep your hands away it's mine all mine

I'm honest man and you just laugh
Ah There's a fire in me
You talk too much words won't last
I want to cry out loud

'Cause my spirit of life
Is to live with what is wrong
Going with the tide, claim to be apart
Far's your mind, just my body that's here

You better run my darling
It's fear
It's now or never, nothin' is real
Keep your hands away it's mine all mine
Ah keep your hands away
Keep your hands away
Keep your hands away it's mine all mine

See the sign on the wall
See the sign on the wall
Mm aye aa
Mm aye aa
Mm aye aa
Oh ooo o ohh

No way I am out of here
Die with all your money

Trying to reach me
Keep your hands away, it's mine all mine

Keep your hands away
Keep your hands away
Keep your hands away, it's mine all mine

Keep your hands away
Keep your hands away
Keep your hands away, it's mine all mine

Ah keep your hands away
Ah keep your hands away
Ah keep your hands away
