[Incomprehensible]

Have you ever been for sale?
When your isms get smart
Oh selfish and mindless
With that comment in your eye

Do you think that you are hard?
Really harder than the other
Man you're acting cold
If you're not in charge

Don't split your mentality
Without thinking twice
Your voice got no reason
Now is the time to face your lies

Open your eyes, open your mind
Proud like a God don't pretend to be blind
Trapped in yourself, break out instead
Beat that machine which goes in your head

Will you offer me some tricks
If I ever need them?
Would you go into that room
So if I call 'em?

Do you think that you are better
Really better than the rest?
You realize there's just one problem
I know that you can give your best

Have you ever had a dream?
Or is life just a trip?
A trip without chances
A chance to grow up quick

Open your eyes, open your mind
Proud like a God don't pretend to be blind
Trapped in yourself, break out instead
Beat the machine [Incomprehensible]

[Incomprehensible]

Open your eyes, open your mind
Proud like a God don't pretend to be blind
Trapped in yourself, break out instead
Beat the machine that goes in your forehead
Your head, your head, your head
