I'm alone  
Can't wait until I feel your rain  
So unreal  
Can't find another place of your rain  
I believe  
I still believe in your warm rain  
I'm alone  
Can't sleep until I feel your rain

How can I find  
Love, faith and trust inside of your rain?  
So unreal  
Can't find another place of your rain  
I believe  
I still believe in your warm rain  
So untrue  
Help me to find through your warm rain

I send out my wishes  
You gave me promises  
Why don't you feel the same?  
I'm sad, I feel like a little child

I send out my wishes  
You gave me promises  
Why don't you feel the same?  
I'm sad, I feel like a little child  
Somebody left, there is no rain

Oh no, I'm waiting  
How about your rain?  
I can't believe  
I still believe in your rain  
Like in Heaven  
I can't wait until I feel your rain  
So where's your life  
Who's livin' the rest of your life

I can't, I can't  
I can't live this life, I can't live this life

I can't see in your eyes

Can't change it, no more tries  
Leave everyone with a smile  
And you're sad, you feel like a little child

I can't see in your eyes  
Can't change it, no more tries  
Leave everyone with a smile  
And you're sad, you feel like a little child  
Somebody's left there is no rain

Yeah  
And you set me free  
Oh baby  
And you're sad, you feel like a little child

I send out my wishes  
You gave me promises  
Why don't you, why don't you  
Why don't you, why don't you feel the same?  
And you're sad, you feel like a little child  
Somebody's left there is no rain
