Pretty in scarlet
So pretty in scarlet..

We slept a while
to turn it off
and get it out of our minds
I slept a while
to get it all
it seems alright
to find a place without a single lie
where is the night
we ran into

Nothing is good
I cant explain
falling down and caught up the rain
I turn myself into changes
the night I kissed you goodbye
Nothing is good
I cant explain
falling down and caught up the rain
I turn myself into changes
(your death is over)

You want to live a lie
and Im pretty in scarlet
come on
you want to wash it down
and Im pretty in scarlet
I turn myself to say goodbye
You want to live a lie
and Im pretty in scarlet
come on
you want to wash it down
and Im pretty in scarlet
I turn myself to say goodbye

Its o.k.
it doesnt count
found my place
a deeper sound

let me dive alone
You gave me wine
to poison me
and take away my time
I can hear you cry
I wonder why

Nothing is good
I cant explain
falling down and caught up the rain
I turn myself into changes
the night I kissed you goodbye
Nothing is good
I cant explain
falling down and caught up the rain
I turn myself into changes
(your death is over)

You want to live a lie
and Im pretty in scarlet
come on
you want to wash it down
and Im pretty in scarlet
I turn myself to say goodbye
You want to live a lie
and Im pretty in scarlet
come on
you want to wash it down
and Im pretty in scarlet
I turn myself to say goodbye

pretty in scarlet (3x)

You want to live a lie
and Im pretty in scarlet
come on
you want to
