I am here  
I see the lonely persons  
And I regret them  
Oh every night

Why you're here  
No, answer no more questions  
And I regret them  
Oh every day

Why do I feel with my body, yeah  
Oh the trust I would say to you  
What is on what, what is on you  
When I'd know you gonna miss me  
I belong to you my girlfriend  
So what's there, by the side

Hee, hee oh leave a lie  
When I'm standing for the action baby  
Hee, hee oh leave a lie (2x)

Why you're here  
I need a lot of faces  
And I regret them  
Oh every night

Why you're here  
No, answer no more questions  
And I regret them  
Oh every night

Why do I feel with my body, yeah  
Oh the trust I would say to you  
Was about what's the real  
When I'd know you gonna miss me  
I belong to you my boyfriend  
So what's there by the side

Hee, hee oh leave a lie  
When I'm standing for the action baby  
Hee, hee oh leave a lie (2x)
