Speak your word
leave a sign
no more critics
lay it down
worst demean
I prefer you blind
to salve your remains
I adore
your last scent
sweet the water
goddamned hands
say the words
my romance before
I take your breath

Want to see you run
to
want to see you run
for
want to see you run
sugar skinned my candy crim

Search
did it hurt
naked body there you lie
don't be scared
feel the mood of your bones
they get prisoners within
there's your world
spit it out
goddamned curse so now
you are drowned
in the light you look like a

silent lean device

Want to see you run
to god
want to see you run
to god
want to see you run
sugar skinned my candy crime

There's your shirt on the ground
runaway
there's a sound
for a minute
we kept out the cold

Want to see you run
to god
want to see you run
to god
want to see you run
sugar skinned my candy crime

Squirm to f... him
love in the dark
wouldn't you lead me
inside
your dream of sanctuary

Sugar skinned my candy crime
I lay you down
I lay you down
beloved
