Hello, my name is Suzie
and I dream for a better, better glory
god bless you and I bless you
I'm angry why don't you squeeze me
the stage is my home and I guess when I roam
things could get out of my head
god bless you and I leave you
when the weather is hot

Sucker, yeah !

Hello, my name is Suzie
don't spit on that floor like a loony
I'll bite you, so don't bite me

I'm angry why don't you squeeze me
the pain is my home and I guess when I roam
things blow away my thoughts
god bless you and I catch you

when the weather is hot

Sucker, yeah !

Hello, it's still Suzie
ready to play what you like
ready to say what you don't say
immediately to do sports
suffering a new holocaust
don't hit me, you will miss me
when the weather is hot

Sucker, yeah !

Slide and winged all the memories
sing with me this little irony
You won't escapes from this reality
let us do such a sport activity
my time's too short
I missed the mark and
I can't remember why
