"Trust"

Visit "[Trust](#)" on MotoLyrics.com

Don't put your trust in me
If you arrested me
Don't put your trust in me
If you can handle me
Who do you wanna be?
And why do you trust in me?

All the feelings
You cannot handle it if your heart's
crashed down now
You should count on me
All the feelings
Put me in a lie
All the feelings
Oh my god, it's happening again

All the feelings (Son of a bitch)
Put me in a lie (Son of a bitch)
All the feelings (Son of a...)
Oh my god, it's happening again

Don't put your trust in me (Yeah)
Don't put your trust in me (Yeah)
You should stop count on me
See what you wanna see

And when I fly high
You cannot handle it if your heart's
crashed down around town

Telling me, telling me, telling me
(I can't believe it)
Telling me, telling me, telling me
(My friends just need it)
Telling me, telling me, telling me
(I can't believe it)
Oh my god, it's happening again

All the feelings (Son of a bitch)
Put me in a lie (Son of a bitch)
All the feelings

Oh my god, it's happening again

So here we walk
Our legs are head with a sun so high
My bones will break
My eyes will cry
My friend and I were here
to suffer alive
And the story changes
when I find some water
Like a lion I'm a rabbit in his eyes
Don't you remember
we were friends to live
He runs upon my back to kill me
over and over tonight

All the feelings
Put me in a lie
All the feelings
Oh my god, it's happening again

All the feelings (Son of a bitch)
Put me in a lie (Son of a bitch)
All the feelings
Oh my god, it's happening again

Don't put your trust in me
Don't put your trust in me
You should stop count on me
See what you wanna see

If I fly high

You should stop count on me
You should stop count on me
You should stop count on me
