Yo pardon me, which one of ya'll hard niggas said
that I listen to r&b reggae and bust raps fuck that
I heard alot of shortys you be hounding ya'll

if You remain the same then the game will never
change,

cause we might start acting up in your club
cause we don't give a fuck cause we real niggas so

[Louville]

Yo come here, stop acting like that
Go ahead walk down here to the Bar
Yo son I'll met ya'll on the floor aiight

Aiiyo i was in the cut rolling up felling kinda twisted
Fuckin with this shorty while I asked her if she missed
me,
she boldly had told me that all I wanted her panties
get her home and fill her up with henny,
I didn't call she was alone that night
and for some reason dj spins Brian McKnight
thats all i heard my word son she sang the song

asking The ville was I on ya' mind at all?
I try to to say na but hell yea came out I couldn't spit it
out
Tell her what this shit was about
Maybe I'm movin too fast cause I want that ass
before I jet from the scene let me count my Cash,
they call him henny villie
that is good and plenty you gotta just Love this shit,
the more i look the more i look the more I wanna dick
this Chick,
but then my niggas call gotta get her out to the whip.

[Starang]

To all my new york niggas gotta bounce to this
Grab your blunt or your leaf smoke a ounce to this
Where ever ya'll niggas is it, ya gotta spark up ya splif
Cause only o.g.c can put it down like this

Yo doc, I just hung up with my ex,

I got my gun in my lap I can't get to my trunk faster
Smoke this weed first and then we get drunk after
Cause at home bitches suck on my dick like a pacifier
For real man will aint no liar
Word up word up I smoke and smoke and smoke
until I can't get no higher
Yo hit him in his lip, now what ya teeth is on
My right hand let ya'll know that the beef is on
Cause this rap cat's got all these gay niggas wanna be

To my man lil and grant, when i see Em on his v.i.
But I stay on the move thats what i whip the black range

For real what up I had to up my credentials
Then move change my area to residential
