Loving you.
Loving you.

Verse 1

I was so confused, not knowing what to do with myself.
I was being used, blinded I was headed for hell.
Then God saved me, pulled me from the heat.
It's always on my mind.
What a blessing that was sent to me.
Together we will shine and...

Chorus

I'm loving you.
I'm loving you.
I'm loving you.
I'm loving you.

Verse 2

Anger in my heart, life was such a drag for me.
Then I made a start to serve the living God, now I'm
free.
You're my whole life, you're my lasting dream.
It's always on my mind.
What a blessing that was sent to me.
Together we will shine and...

Repeat Chorus

Loving you.
Loving you.
