Listen up, I'm back on my feet, I
finally broke loose and I've got
something to say. Are you doing the
things that hurt you? Let me tell
you, there's a better way.

CHORUS I:

Cause He came down from His
throne and sang a song of love to
me. With just a touch His power
set me free . . . I'm free

CHORUS II:

Tell me can you feel it, Yes and I
believe it; talkin' 'bout the Power of
love. Burnin' like a fever in the
hearts of true believers, oh, we've
got the Power of love

People call me crazy cuz I love
You Lord, but when my cup is
empty, you always give me more.

CHORUS I

CHORUS II

Every night I go to sleep I pray the
Lord my soul to keep. He leads me
thru the darkest night, gonna take
me to the morning light; gonna
make it to the morning light

CHORUS II

Psalm 20:6-8 / II Timothy 1:7
