When I'm down and I'm cold, and
the blues have taken their toll;
and it looks like there's nowhere for
me to go. I feel the passion, I feel
pain and it looks like I'm gonna lose
again, so tell me ... whose gonna
stop the rain? It's gonna be You
Oh Lord

Just woke up from the longest
dream; a storm was raging down
on me. A fear so strong took ahold
of my soul; felt so weak I couldn't
take anymore; I couldn't take
anymore.

I saw a Man, eyes like fire; storm
rolled back with a wave of His
Power. Love lifted me higher; fear
fell away with the touch of His
Hand.

CHORUS I:

Livin' on faith; Never say never;
standing tall when the rain comes
down; gotta make it thru the stormy
weather; standing tall when the
rain comes down

I'm so glad what He's done for me;
took away my blues so easily.

Storms are gonna come and you
know it's a fact; but the Power of
the Lord is gonna make you stand
Love lifted me; fear fell away with
The touch of His hand

CHORUS I

CHORUS II:

Livin' on Faith ... Never Say never;
Standing tall when the rain comes
down. Gonna give it all, now and
forever; standing tall when the rain
comes down

The storm keeps raging down on
Me, but I will rise above, I'll rise
above. Love is lifting me higher; His

love has lifted me higher. So I'll be
standing when the rain comes down.
Love lifted me; fear fell away with
The touch of His hand
CHORUS I
CHORUS II
Psalm 18:2-18 / 1 John 4:17- 18
