Come on girl

A school bell rings off the day
Brings in a stray few girls at play
Cut school, pink slips are fine
For a good time boys on their mind

A bad girl smoking in school
Breaking the rules, acting real cool
Talkin' 'bout all the rock boys
Backseat joys with some boy's toy

At the girlschool
'Cause my baby broke all the rules
At the girlschool
'Cause my baby broke all the rules

Saddle shoes, uniform's blue
Love all the girls in the girlschool
Traffic jam in the hallway
Ooh, I'm gonna stay, this makes my day

Here they come girls from the school
Breakin' the rules, hot on the loose
My girl left right from school

Came over to my house, ooh

At the girlschool
'Cause my baby broke all the rules
At the girlschool
'Cause my baby broke all the rules

At the girlschool
'Cause my baby broke all the rules
At the girlschool
'Cause my baby broke all the rules

You're staying after school

At the girlschool
'Cause my baby broke all the rules

Girlschool

'Cause my baby broke all the rules

Pink slips, lips all wide

For a good time, boys on their mind

At the girlschool

'Cause my baby broke all the rules

Girlschool

'Cause my baby broke all the rules

At the girlschool

'Cause my baby broke all the rules

At the girlschool

'Cause my baby broke all the rules

At the girlschool
