Otis Blackwell

You shake my nerves and you rattle my brain
Too much love drives a man insane
You broke my will, but what a thrill
Goodness, gracious, great balls of fire

I laughed at love 'cause I thought it was funny
You came along and moved me honey
I've changed my mind, your love is fine
Goodness, gracious, great balls of fire

Kiss me baby, woo feels good
Hold me baby, welllllll
I want to love you like a lover should Your fine, so kind
I want to tell the world that your mine mine mine mine

I chew my nails and I twiddle my thumbs
I'm real nervous, but it sure is fun
Come on baby, drive my crazy
Goodness, gracious, great balls of fire!!
