You see your face inside a mirror  
Tell me what you see  
Chasing dreams you have to hold on  
That's the way you do your thing, yeah

You're livin' on a dream, is what you do  
Livin' on a dream, you hold on to  
You're livin' on a dream, is what you choose

You say you want all the big lights  
They said you're dreaming and [Incomprehensible]  
Just hold on tight to what you're thinkin'  
You're gonna reach it to a star, a star, yeah.

You're livin' on a dream, is what you do  
Livin' on a dream, you hold on to  
You're livin' on a dream, is what you choose

Livin' on a dream, is what you do  
Livin' on a dream, you hold on to  
You're livin' on a dream, is what you choose  
Livin' on a dream

You're livin' on a dream, is what you choose  
Livin' on a dream  
You're, you're, you're livin' on a dream, is what you do  
Livin' on a dream
