There's a place where souls live on forever
There's a time where we all
Rest together, oh, sometime

Feeling better, living better
Yeah, I see the lights
There's a place where
The light shines bright

Shine on
Shine on, shine on
Shine on

Peace on earth
Spread love to your brother
Loved ones gone
In your heart they'll live on
Live on and on

Feeling better, living better
Yeah, I see the lights
There's a place where
The light shines bright

Shine on
Shine on, shine on
Shine on
Shine on bright on me

Shine on
Shine on, shine on
Shine on
Shine on bright [Incomprehensible]

Oh, I'll tell ya
Shine on
Shine on, shine on
Shine on
Shine it bright on me

Shine on
Shine on, shine on

Shine on
Shine your light on me

Shine on
Shine on, shine on
Shine on
Shine

Shine on
Shine on, shine on
Shine on
Shine on
