Oh yeah

In the dark, there's a love that hides
Is it true, are we blinded by
Face the words, it's not in your eyes
Tell me now, that I'm the one for you, yeah

I'm alone again, deep inside
Cold sets on in lurks the shade
On top our lives gotta know
If this love is gonna stop or go

Don't you know what I want?
Go, go, go
Don't you know what I want?

'Cause I'm standin', standin' in the shadows of love
Ooh yeah I'm standin', standin' in the shadows of love
Ooh yeah

In love, with a lion heart
Dressed in black, the shadows dark
Trapped inside, a love that cast, of shade
Of a love that's gonna stop or go

Don't you know what I want?
Go, go, go
Don't you know what I want?

'Cause I'm standin', standing in the shadows of love
Ooh yeah I'm standin', standin' in the shadows of love
Ooh yeah I'm standin', standin' in the shadows of love
Ooh yeah I'm standin', standin' in the shadows of love
I'm standin', standin' in the shadows of love

'Cause I'm standin', standing in the shadows of love
Ooh yeah I'm standin', standin' in the shadows of love
Ooh yeah I'm standin', standin' in the shadows of love
Ooh yeah I'm standin', standin' in the shadows of love
Standin' in the shadows of love
Standin' in the shadows of love
Standin' in the shadows of love
