Gucci mane

She reminds me of my drop top chevey
We back to bangin drop tops
Me and R Kelly
And yall aint ready
We in twin 9-11's better call the paramedics
Breathe-breathe-breathe heavy
My gucci belt and bag come in gucci mane heavy
I know i might be ugly
But my cars real sexy
And i dont see nothin wrong with the gucci mane flexin
Lets bet
hunnid thousand track waist
Me and R kelly
Wait one goddamn minute
Bought a chevy but i coulda bought a hard top bently
