(feat. Wiz Khalifa)

Okay, its Wiz Khalifa, Gucci, Drama and Mary Jane
Hit a few times, cause I'm two timez, Gucci two timez

[Gucci Mane]

I'm mister make a style think we make a tear
Last night was a blur atleast I wore fur
I pull up in the rear engine in the rear
By then end of the night was pullin on her hair
I really don't care the games unfair
Gucci man the pro q don't care bout niggas over there
Shorty got a pair apple with a cap
I think we make a pet she like I'm from the trap
I got her in the chair she think she in the lair
The way she switch them gills got her take em off the
heels
I'm mister take you there take your underwear
You're fucken with a boss no need to fuck with a square

[Chorus x3]

I light the weed up then hit it two timez
Smoke is so good I hit it a few timez
If I hit it once I hit it two timez
If I did it once I can do it two timez

[Wiz Khalifa]

Got a joint burnin here real slow
Wanna slide to my crib lets go
Ill show you my double balcony
Put your head on my lap
Right before you start to make out with me
Crib in L.A I flew her to the south with me
You niggas wanna be players
well I can show you how to be
I got my salary and now all the bitches say hi to me
I'm smoking out on these niggas they trying to be as
high as me
Another casualty I kill ever beat I'm smoking on cellery
Only fuck with em papers the gang taylors on every
feet

I don't fuck with them haters cause niggas hate but we
never speak
Your bitch want me to savor you better tame her or get
a leash, motherfucker

[Chorus x3]
