I'm up 24 hours, money and the power  
Stunting on the hoes and I'm shittin' on the cowards  
I'm 24 hours, I'm up 24 hours

I'm up 24 hours, no shit, shave or shower  
Until I get my money back, I gotta get my money up  
I'm 24 hours, I'm up 24 hours

Damn, it's a good day, damn, it's a good day  
Called Drummer Boy and told him, "Let's go make a  
hood tape"  
First thing I'ma do, pull out my 7'4  
Candy coated black thang sittin' on them  
[Incomprehensible]

24 towers, 8 bricks of powder  
10 bells of dro when I paid for the flour  
Don't talk about my Lambo, talk about my 'Rarri  
Talk about my Phantom or talk about my Harley

Brick Squad biker-boy's angel name Charlie  
Goons goin' psycho, white boy, Narley  
Every 24 second passin' me da Marley  
Lame tryna diss, don't effect me hardly

I'm up 24 hours, money and the power  
Stuntin' on the hoes and I'm shittin' on the cowards  
I'm 24 hours, I'm up 24 hours

I'm up 24 hours, no shit, shave or shower  
Until I get my money back, I gotta get my money up  
I'm 24 hours, I'm up 24 hours

Schoochie, I'm going to the bank again, making a  
deposit  
It's getting kinda chilly, bring my mix up out da closet  
Getting kinda warm, bring my jewelery out da safe  
If it be a problem put da hater in his place

I'm slicker than an oil spill, sharper than a razor  
I'm screamin', "Anybody get it like my nigga Major"  
Finna copp a condo and finna pull a ammo

Brick Squad bandanna on, I think I'm fuckin' Rambo

It's Gucci, I'ma killa so don't push me  
Brick Squad ain't no pussy, niggas runnin' wit dem wig  
splitters  
Niggas screamin', roll one, Gucci let me hold some  
But I can't let 'cha hold none, I hit 'cha wit da whole  
drum

I'm up 24 hours, money and the power  
Stuntin' on the hoes and I'm shittin' on the cowards  
I'm 24 hours, I'm up 24 hours

I'm up 24 hours, no shit, shave or shower  
Until I get my money back, I gotta get my money up  
I'm 24 hours, I'm up 24 hours

I'm fuckin' with the white girl, you can call me Ice-T  
'Cause I got my Crystal Zone, you can call it Spike Lee  
Robbin' me unlikely, last try, dropped dem  
Hollain' tip stop dem, I ain't have time to box him

Stuntin' like an actor, winnin' like an athlete  
Straight to the money like a sprinter at a track meet  
First sign Waka then I sign Gucci  
Then I sign Brick Squad, tell 'em come 'n' sue me

I'm up 24 hours, money and the power  
Stuntin' on the hoes and I'm shittin' on the cowards  
I'm 24 hours, I'm up 24 hours

I'm up 24 hours, no shit, shave or shower  
Until I get my money back, I gotta get my money up  
I'm 24 hours, I'm up 24 hours

I'm up 24 hours, money and the power  
Stuntin' on the hoes and I'm shittin' on the cowards  
I'm 24 hours, I'm up 24 hours

I'm up 24 hours, no shit, shave or shower  
Until I get my money back, I gotta get my money up  
I'm 24 hours, I'm up 24 hours
